

Graduate School Degree Requirements

Graduation Application

In order to graduate, all graduate students must complete an online graduation application via My Akron by the due date listed below to be considered for graduation and a certificate. The purpose of the application is to notify the Registrar of the student's intent to graduate. A student cannot graduate without having completed this form. The graduation application only needs to be completed once. Should the student need to

Residency Requirement

All doctoral students must have two consecutive semesters of fulltime enrollment at some point in the doctoral study.

This may be fulfilled in the following options:

Fall-9 credits and following Spring-9 credits

Spring-9 credits and following Fall-9 credits

Spring-9 credits and following Summer-6 credits

Summer-6 credits and following Fall-9 credits
